

PARKS & SQUARES

Serving as a verdant refuge for locals and visitors alike, green spaces are an integral part of Philadelphia life. Spread throughout the four quadrants of the city, these pristine urban oases are pleasing on both the intellectual and aesthetic levels, intertwining, history, art and foliage.

THE RITTENHOUSE

City Map

THE RITTENHOUSE

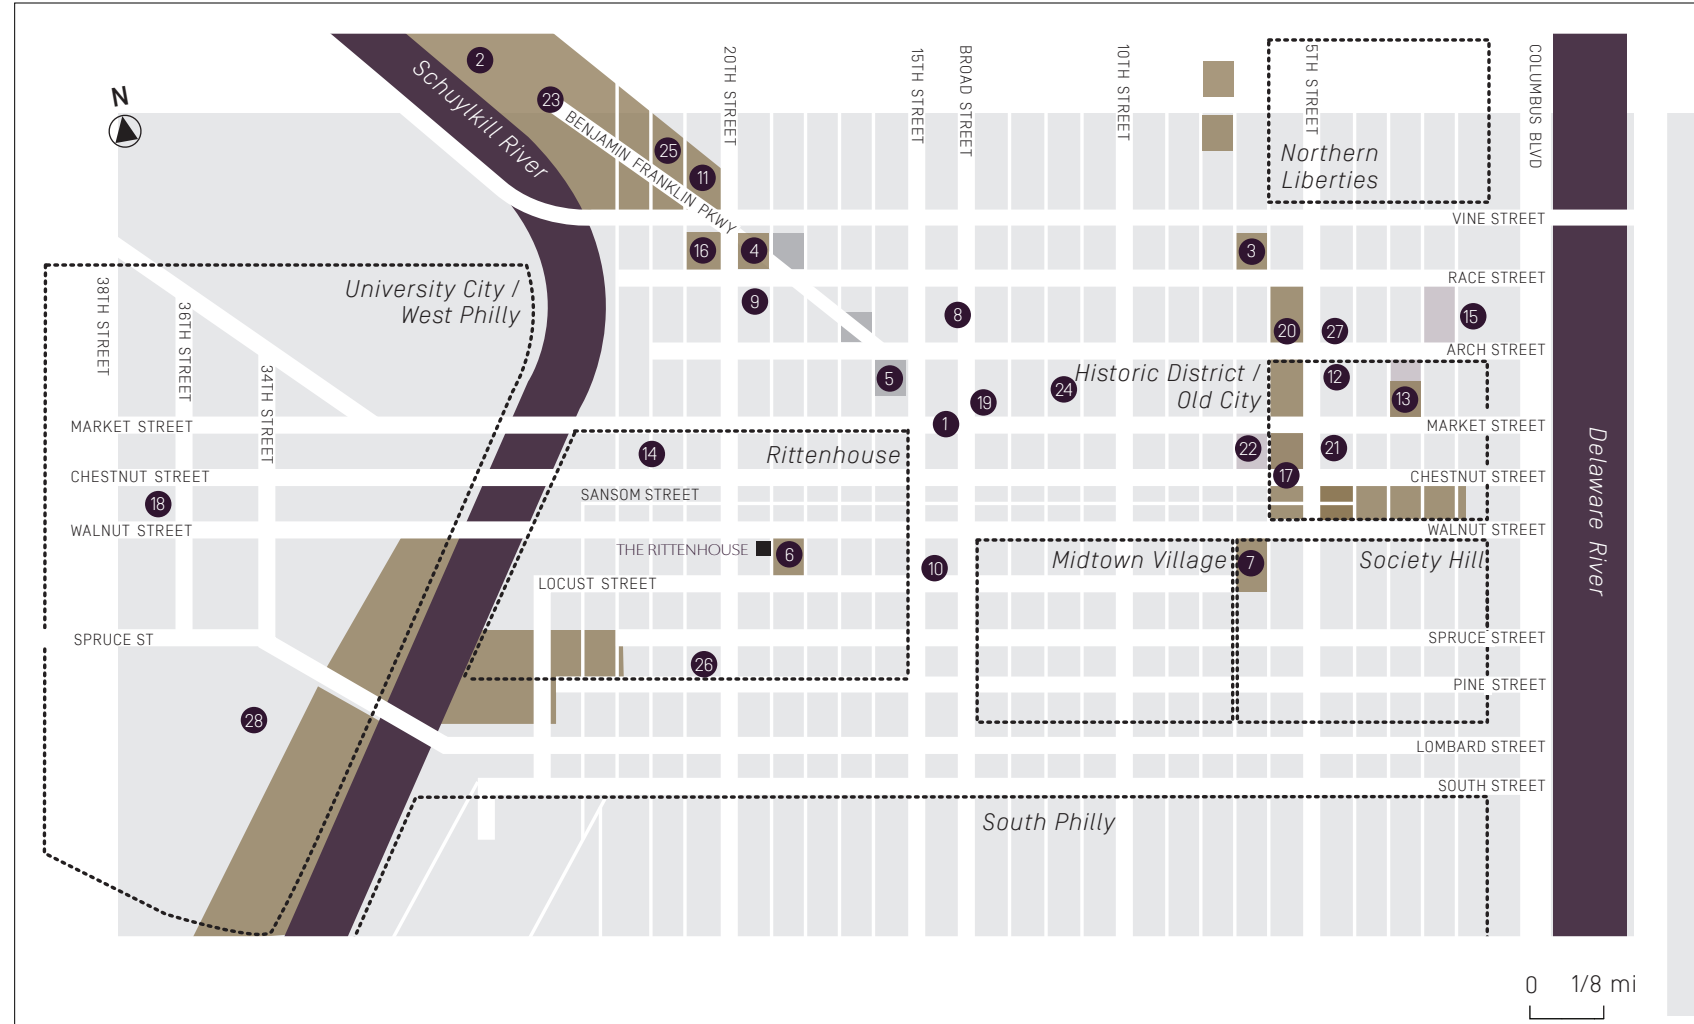

PHILADELPHIA

With a downtown area of two miles end to end, a car is truly unnecessary in the City of Brotherly Love. You can walk almost anywhere you'd want to visit. While densely packed with cultural attractions and historic sites, Philadelphia also offers an array of open green spaces and lush urban landmarks that serve as a retreat from the daily buzz.
