The Rittenhouse Hotel Philadelphia

The place to
stay

Service is The Rittenhouse's first priority and supplements the extraordinary luxuries you'll find in the guest rooms and suites.

The Rittenhouse Hotel is located on the prestigious Rittenhouse Square, one of this city's most highly regarded addresses. Many of the rooms at this downtown Philadelphia hotel overlook this classic landmark. This hotel has become *the place to stay* for celebrities, dignitaries and royalty, as well as the truly discriminating traveler.

Soaring nine floors above downtown, The Rittenhouse has 98 guest rooms, including 11 suites. The rooms are furnished in a classical style with bold splashes of color that offset the formal furniture. All have comfortable, overstuffed couches and chairs, beautiful artwork by Philadelphia locals and views of the Rittenhouse Square.

Lacroix at The Rittenhouse offers a refreshing new setting for dining in Philadelphia, with a view of Center City's most prestigious residential square from every table. All cuisine prepared at this restaurant is overseen by internationally acclaimed French chef Jean-Marie Lacroix. Chef Lacroix enriches all dishes with his signature style, using the freshest seasonal ingredients from the Eastern seaboard to create a delightfully

sensory Philadelphia fine dining experience. The elegant décor of this downtown Philadelphia restaurant strikes a perfect accord with the refined menu – innovative, recognizable, sophisticated, and inviting.

The Rittenhouse Hotel offers many special on site services and facilities making it one of the world's finest places to stay.
